

PTA I Evaluation 1 (Supervisor 20%)

SECTION D : PROJECT PROGRESS

Evaluate each item using following scale

Excellent	5
Good	4
Moderate	3
Weak	2
Very Weak	1
Fail	0

Instruction: Please fill in the marks (minimum = 0, maximum = 5) in the MARKS GIVEN column.

CO	ITEM	5	4	3	2	1	0	MARKS GIVEN	WEIGHT
THESIS/REPORT									
1	CO1	Introduction/ Overview	Clear description about domain/case study of the project	<inbetween>	Satisfactory description about domain/case study of the project	<inbetween>	Unclear description about domain/case study	No introduction	0.4
2	CO1	Problem Statement	Clear description and problem statement is acceptable	<inbetween>	Satisfactory description and problem statement is acceptable	<inbetween>	Unclear description about problem statement	No problem Statement / problem statement is unacceptable	0.6
3	CO1	Objectives	Clear and measurable. Consistent with the problem statement. Fulfill PTA level.	<inbetween>	Consistent with the problem statement. 1-2 objective is unmeasurable. Fulfill PTA level.	<inbetween>	Inconsistent with problem statement. Unmeasurable. Too small.	No objectives stated / Not fulfill PSM level	0.8
4	CO1	Scope	Precisely describe the scope of the project accordingly	<inbetween>	Scope are not clearly defined	<inbetween>	Scope not related to the project	No scope stated	0.4
5	CO1	Description and comparison of systems	Clearly describe and compare at least THREE existing systems	Incomplete description and comparison of at least THREE existing systems	Clearly describe and compare TWO existing systems	Incomplete description and comparison of at least TWO existing systems	Attempt to describe and compare but not accepted	No description	0.8

6

CO2	Relevance of comparison on existing systems	Comparison of existing systems are fully relevant/ related/ in similar domain.	<inbetween>	<inbetween>	<inbetween>	Comparison of existing systems are not relevant/ related/ in different domain.	No discussion on existing systems		1
